

## **MASTERSON METHOD DEMO**

**With Janet Stephen**

**Thursday, April 30: 6 – 9pm**

During The Masterson Method® Demo, a Masterson Method Certified Practitioner will show you how The Method helps to improve performance, communication and relationship with your horse. Anyone is welcome!

Come get a taste of this incredible method of bodywork. Your practitioner will explain how to recognize what the horse is telling you through visual and palpable responses. Then, in the demonstration, they will show you how these responses enable you to get deeper releases of tension within the horse, that it may otherwise be unable to release on its own. This is a truly interactive process that results in a change in relationship, and an improvement in movement and performance.
