

JONATHAN FIELD HORSEMANSHIP CLINIC

June 19 – 21, 2026

Millarville Racing & Agricultural Society (MRAS)

Jonathan is an internationally acclaimed horseman, clinician, presenter, mentor, and author dedicated to helping people become better with horses.

With a diverse equestrian background, exceptional teaching skills, and a commitment to meaningful change, he's a sought-after presenter and clinician at top events across North America.

A foundation specialist, Jonathan focuses on developing feel—the ability to read and respond to the horse—on the ground, under saddle, and at liberty. Rooted in classical principles, his program emphasizes healthy biomechanics and the horse's mental and physical well-being.

It's the foundation every horse and horse person should have—for any discipline or activity.

Jonathan's methods go beyond technique, inspiring a way of being that leads to true, lasting change for horses and riders.

Over three days, participants will work through a **blend of groundwork and riding** that builds a safer, softer and more willing horse. The focus will be on:

- Clarity, feel and timing
- Reading behaviour and building confidence

- Balance, posture, and self-carriage
- Equitation tips and a more comfortable canter/lope
- Jonathan's training scale and practical troubleshooting
