

MILLARVILLE CAMPGROUND – TERMS & CONDITIONS

Millarville Racing & Agricultural Society is a not-for-profit family facility. Our Island and Creekside campgrounds are operated and maintained solely by volunteer support. We trust our members and guests will act responsibly and be respectful of our campground, our facilities and our buildings.

As a not-for-profit society operating primarily through the generous donations of time and funds by our members and volunteers, any illegal activity or vandalism act has a direct financial or time loss, is felt very deeply and has a profound impact on MRAS.

ACCOUNTABILITY - It is each camper's responsibility to read, accept and understand the campground terms and conditions. Failing to follow them will result in a warning, additional charges or eviction.

CHECK-IN/OUT

Check-in: 2:00 pm

Check-out: 12 noon

BOOKING & PAYMENT

All reservations must be done through the Let's Camp online reservation system <https://letscamp.ca/camps/millarville-campground> and require full payment at the time of booking. Where possible, campers should reserve their site online prior to arriving. All campers must be registered to stay overnight in the campground.

To ensure a fair opportunity for all guests to access specific sites and enjoy their camping experience, there is a maximum 14 day consecutive stay in our campgrounds. No extended stays are permitted. Once the 14 day maximum is reached, guests are welcome to reserve into a different site.

Camping Rates are based on a per unit basis. GST, credit card fees and Let's Camp processing fees are in addition to the per night camping rate. If you would like to book multiple units onto 1 site, they will be charged the same unit rate as the original unit. Let's Camp has the ability to add additional units to your reservation at the time of booking. Any changes/adds to your reservation can be made at any time by logging back into your Let's Camp account. Please note: Any additional units that have not been paid for prior to departure date will be charged to the reservation holder for that site.
