COUNTRY FUN FOR EVERYONE

The Millarville Racing & Agricultural Society and the Priddis Community Association are your proud co-hosts for this family-oriented event. The Priddis & Millarville Fair has provided country fun since 1907! Many things have changed over the decades, but some things have not. The Fair continues to be the best place in southern Alberta for friendly competition in a variety of bench departments, horse shows for Light Horse Western, English and Gymkhana riders, and livestock shows for beef cattle, dairy goats, poultry, and sheep.

This book lists all the ways you can participate as an exhibitor in a multitude of bench classes. There are also competitions - tractor pull, pie eating, watermelon eating, rooster crowing, horse costume, and the Farm Strong Games. Stock dog demonstrations, llama agility, pie & quilt auction, market

vendors, make & take activities, and demonstrations all contribute to two days of fun for all ages on the third weekend in August. Check the [MRAS website](#) to learn about all the other attractions and activities planned for our visitors.

The Fair has partnered with Alberta Open Farm Days. This is a collaborative, province-wide, two-day event that gives Albertans an opportunity to understand where their food comes from. Visit [About Alberta Open Farm Days](#) to plan your trip to the Fair and farms in the area that are participating.

Welcome to the Fair!

7. Jumping classes will be one round.
8. No Stallions allowed.
9. Riders, not at ringside when called for their class, will forfeit that ride.

NOTES

- Equitation over fences: Judged on how riders are positioned and how effective they are in using their aids when completing a course over fences.
- **NEW** Handy Hunter class tests a horse's agility, manners, and responsiveness over a course simulating field hunting obstacles, requiring tight turns, transitions (like trot jumps or hand gallops), and sometimes dismounting to open a gate or lead over a fence, rewarding efficiency and "hardiness" without sacrificing the traditional hunter style, pace and jumping form.
- **PAIRS** Equitation Over Fences: Two riders execute the course in tandem (one following the other at a safe distance). There will be two jumps side by side for the final jump, the lead rider will make a circle so that both riders cross the jump in unison. Both riders register and pay for class; payouts possible for each rider.
- Match the clock (optimum time): Competitors with equal jumping faults will be placed according to how close their time is to the optimum time, based on the course being ridden at the posted speed.
- Gamblers Choice: Obstacles on the course have different point values. Time is fixed. Competitors can jump any obstacle in any order/direction. After the time has elapsed, competitors can "gamble" and attempt the "joker" (+200 if clear, -200 if refused or knocked down). High score wins.

NEW Fun classes:

- **Delsey Derby** – All Ages: elimination happens only when partners drop or break the toilet paper at any time after the start of the class.
- **Ride and Run** – Two people must register for this timed event. The runner will run through the course and once completed, the rider will follow the same course. Trade your riding boots for sneakers if you decide to be the runner!
- **Kool-Aid Class** – All Ages: riders will jump a short course holding a cup of "Kool-Aid" (water). Who can keep the most liquid?
