What you should know if you have not stayed at the Millarville Campground!

The Millarville Racing & Agricultural Society is home to 2 unserviced campgrounds with a fire pit and picnic table at each site. Many of our sites have the ability to accommodate multiple units per site making camping with friends and family in nature one of our best attributes.

The Island Campground has 21 reservable sites and is ideal for large groups to camp together and enjoy family reunions, weddings or large gatherings of any kind. Many of the sites are large multi-unit sites with a couple of notable exceptions.

Our Creekside Campground has 20 reservable sites and boasts a rustic, back to nature area with great creek access for hanging out on shore or in the water on hot summer days.

Our close proximity to Calgary, Okotoks, High River, Diamond Valley and Millarville, as well as our proximity to the Kananaskis Country and the Rocky Mountains, make this hidden gem well worth visiting.

Our famous Saturday Farmers' Market offers the unique opportunity to shop for all of your farm to table goods or unique specialty items from the many local vendors. Along with the Farmers' Market, Millarville Racetrack offers a number of fantastic weekend events throughout the season. Midweek this quiet spot in nature is pure relaxation!
